The MS TRANSYLVANIA is no longer being used to transport Jews to Israel. The SS ARDEAL is now being used. It is rumored in Rumania that the Soviets have prohibited the TRANSYLVANIA from leaving home waters because the transport of troops is imminent. No mention was made whether these troops would be Soviet or Rumanian.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
